## CA Auto Bank S.p.A.

CA Auto Bank is a universal bank and a subsidiary of Crédit Agricole Consumer Finance. The bank operates as an independent, multi-brand provider of financing and leasing products for both the vehicle and mobility sectors. In addition to a comprehensive offering of financing and mobility products, CA Auto Bank also provides insurance services. Its credit, leasing, rental, and mobility financing programs are designed for sales networks, private customers, and corporate fleets. With a presence in 17 European countries (Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Norway, the Netherlands, Poland, Portugal, Spain, Sweden, Switzerland, and the United Kingdom) and Morocco, CA Auto Bank employs over 1,900 people, directly or through branches.

Through its rental and mobility company, **Drivalia**, CA Auto Bank offers a complete range of mobility solutions, including electric car sharing, car subscriptions, and rentals of all durations. Drivalia focuses on providing all-round flexible, digital, on-demand, and sustainable mobility solutions. In June 2019, the company established its Mobility Store network, which consists of physical outlets where customers can access all mobility services made available by it. With the launch of its first fully electrified Mobility Store at Turin Caselle Airport in 2020, eventually followed by many others, Drivalia became a leading operator also for sustainable mobility. To date, it has installed over 1,600 charging points at all its Stores, creating the largest private electrified network in Italy. In 2023, the electrification project will continue in the European countries where Drivalia operates.
